The Adventures of April

Service & Literacy

During the month of April, Ms. Daija and the Adventurers talked about Earth Day and the importance of taking care of our planet. They took a day to walk around the school campus and clean-up trash and debris. These Adventurers did a great job and had fun during the clean-up. What a great lesson to learn! We now know why we celebrate that day, and that every day is Earth Day. We each have a part to play in keeping our campus, and communities clean!

Since Covid-19 in person programming was on hold, and virtual programs filled this space. All though we appreciate the opportunities afforded by technology, it left us missing in-person connections. Which is why when in-person library visits began in the month of April we were ecstatic! The Adventurers class had their 1st in-person pre-k library visit from Miciah & their 2nd in-person visit with Veronica, from the Mecklenburg County library. They had good times, laughing, learning, and listening while enhancing their literacy!

Gardening

The kiddos are growing their own veggies. They water it and watch it grow. #BloomWhereYouAre

Learning Language's

Spanish & French

For this quarter the Adventurers have been learning the numbers in Spanish with Ms. Cynthia through lots of fun activities.

They have also been having a blast learning French with Ms. Jean, they light up when she begins teaching, they really enjoy the songs!

Joyful June

Doughnuts with Dad

Dad's play a very important role in a child's life and we at Learning Lamb Early Development Center recognize this fact. To show our appreciation for the LLEDC Family Dad's the Adventures class hosted Doughnuts with Dad which was a nice time.

Teachers

Thanks

Educators help shape the education experience of the kiddos, and in May we celebrated them during child care teacher appreciation week. Thank you, Ms. Daija, Ms. Cynthia, Ms. Binta & Mrs. Jean and Mrs. Adams for all you do everyday to pour into these Adventurers!!
